Handshake is for GSU and AYS Students & Alumni! It serves as the main career management platform designed to help you find your next opportunity and make it easy for employers to recruit you.

Find jobs, fellowships, internships, co-ops, on-campus positions, career resources, events and contacts.

Why use it?

- Access to the **largest early talent network** in the U.S. Over 850K+ employers use Handshake as the primary platform for recruiting students and young alumni.
- Use Handshake as a **one-stop shop** for all things career services — applying to jobs, scheduling an appointment, registering for events, and building a network.
- Receive **personalized recommendations** for jobs, events, and resources based on their career interests, major, experience, and job search history.
- Receive proactive **messages from employers**. 65% of seniors on Handshake receive a proactive message from an employer.
- Get communications from your Career Center **about job fairs and other career events**.
- Utilize **peer learning tools** — Reviews, Q&A, and Peer Messaging — to connect with students from across the network and learn what they say about employers before applying for a job.
